### **Public Notice: COVID-19 Update and Guidance**

Skagway is experiencing an increase in Covid positive cases as well as cases of flu and stomach flu. If you're sick stay home, even if you're not COVID positive. If you test positive for COVID-19 even on a home test, isolate for 5 days then mask for an additional 5 days per CDC guidance. Hydrate, rest, and take Ibuprofen or Tylenol.

**Please protect your small healthcare force. If you're symptomatic call the clinic for instructions on how to be seen safely. Wear a mask inside the clinic.**

Need a COVID-19 vaccination or booster shot? Call the clinic for availability.

**General guidance summary: Wash/sanitize hands often. If sick, stay home and test when possible. Get fully vaccinated.**
