---

Morgan,

Can you please provide me with the font size for the projecting sign and the façade sign? Also, I just wanted to let you know that I couldn't find the arrows on the façade sign in the list of allowed fonts and ornaments, so the Historic District Commissioners may comment on that. Another option could be the hand with a pointing finger in the Adobe Wood Type Ornaments or the one in the Brother Word Logos. Here is a link to the list of allowed fonts and ornaments: <https://www.codepublishing.com/AK/Skagway/#!/Skagway19/Skagway1908.html#19.08.012>

Please let me know if you have any questions.

Thanks,

**Stacy Fairbanks**

Morgan,

This is a reminder to send back the first page of both sign permit applications with the property owner's signature and date.

Thanks,

**[ATTENTION: This Email was received from outside the Municipality]**

Thank you also the bottom of the skagway scooters sign is 100 inches above the boardwalk.

Hello Morgan,

I have attached the sign permit application. Once you have them signed and dated by the property owner, please return them to me.

Thanks,
